Diferença

Afinidade:

Em decorrência do padrão mental que acalenta (interesses), entra em relação com aqueles que estagiam no mesmo padrão.

Sintonia:

Estabelecimento de um padrão mental adequado para a realização de uma atividade mediúnica.

Afinidade

A afinidade se estabelece naturalmente com outros espíritos que, dependendo do interesse, serão inferiores ou superiores.

Afinidade

A afinidade se estabelece naturalmente com outros espíritos que, dependendo do interesse, serão inferiores ou superiores.

Para a continuidade do estudo, será considerado a afinidade com os espíritos inferiores.

Sintonia

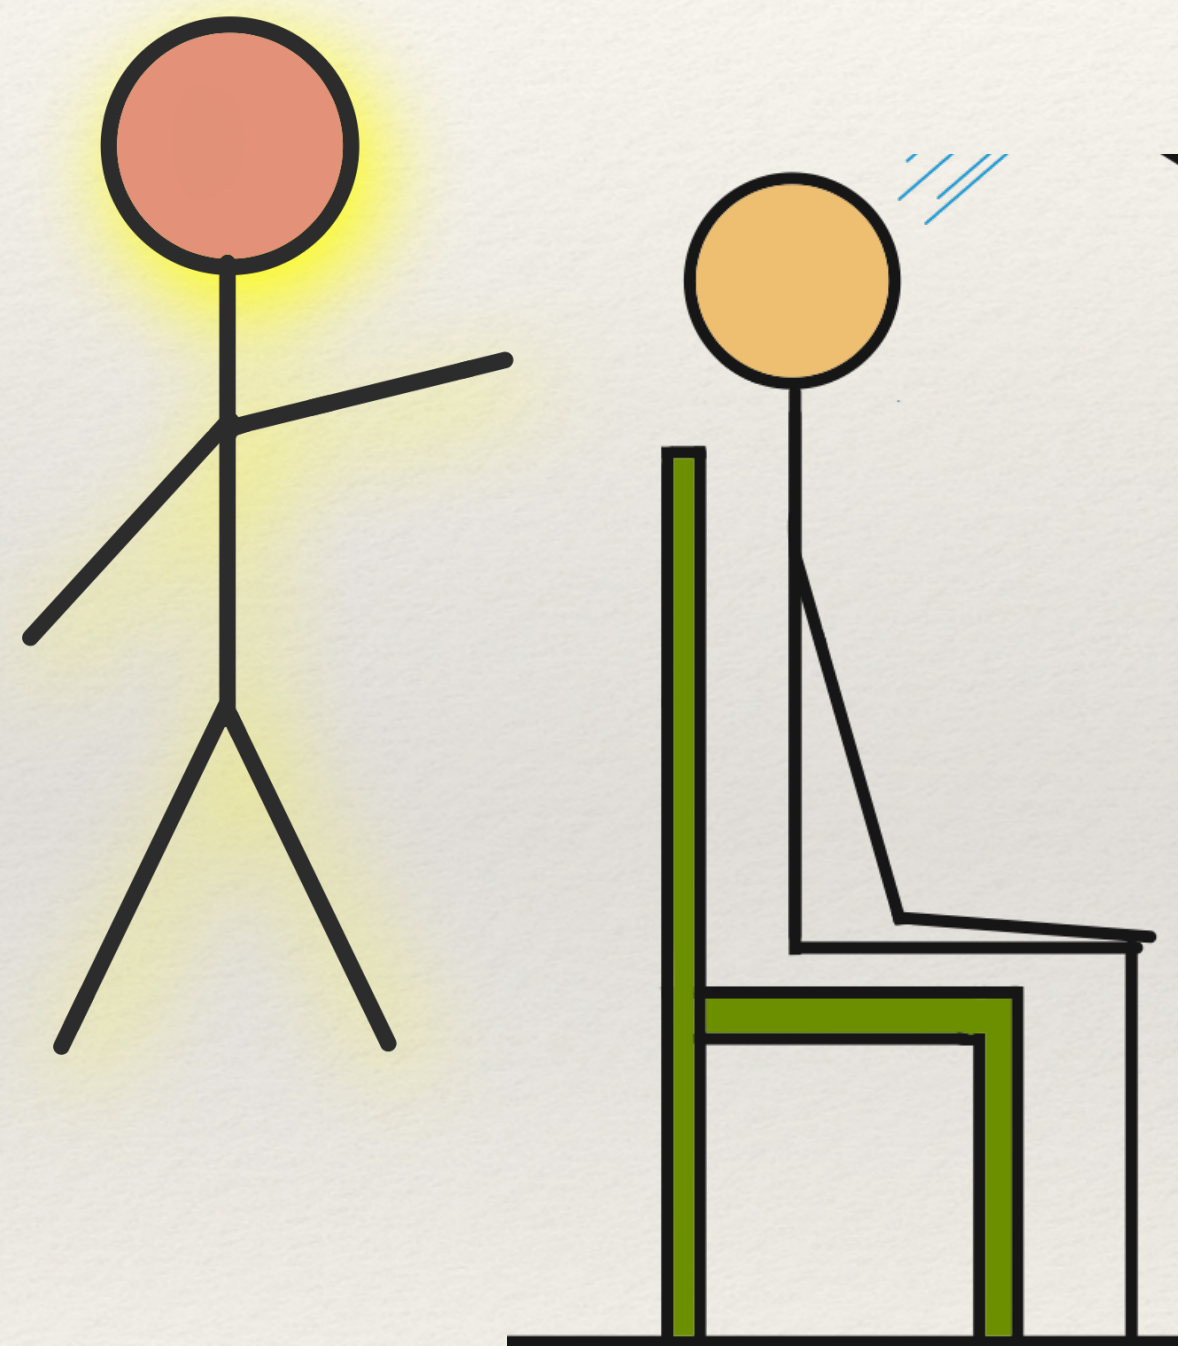

A sintonia se estabelece com o trabalho e faz necessária para que a atividade mediúnica transcorra adequadamente.
